PERSPECTIVE DEVELOPMENT PLANS

To reach the goal of Vision and Mission of the College we at Nagar Yuwak Shikshan Sanstha Airoli New Horizon College of Commerce have ascertained some short term and long term plans for the development of the students.

We groom the students beyond curriculum to reach out the society as a better human being having better ethics making them responsible citizens. These courses not only imbibe values but also create social values which make them socially responsible and create gratitude towards the society in the young minds.

SHORT TERM PLAN :

1. OUTREACH PROGRAMMES

To organize activities to reach out the needy people, underprivileged people, etc and help them through different activities like; Donation of Food Grains, Clothes, Books, Medicines, etc. Helping the people with basic writing and reading knowledge making them understand their basic rights.

2. ADDITION OF NEW COURSES

We have plans to add new courses in the coming year viz; Bachelor of Law, Bachelor of Financial Market and Bachelor of Commerce.

3. VALUE ADDED COURSES FOR STUDENTS

To sustain in the today's global world, we plan to have some Value Added Courses for the students to enhance their skills and strengthen their practical abilities to get easily

absorbed in the market after their completion of graduation. These courses will make students employable.

4. INCREASE NO. OF ADMISSION

To increase the number of admissions in the ensuing academic year, we plan to approach the Junior Colleges in and around the vicinity, area and suburbs, wherein students can reach the campus without any hassles. Also guiding them about our various courses and counseling to select the desired course. We plan to organize pre-admission process seminar / workshops to make them understand the process and per the NEP Programme.

5. GOVT. COURSES FOR STUDENTS – SWAYAM / MOOC COURSES

We encourage students to get enrolled to the Government Sponsored Courses like Swayam and Mool Courses to learn for a variety of reasons, including: career development, changing careers, college preparations, supplemental learning, lifelong learning, corporate eLearning & training, and more. These courses will not only add knowledge but will also make students understand and learn new concepts in their life. These courses will give additional weightage to their C.V.'s.

6. TO MAKE IT ENABLED CLASSROOMS

We are planning to install smart board and IT tools in the classroom.

7. TO GET ACCREDITATION FROM THE REGULATORS

We have initiated the process of NAAC accreditation and very soon we will get the accreditation with good grades.

LONG TERM PLAN

1. COLLABORATION WITH FOREIGN UNIVERSITIES

We plan to have a collaboration with Foreign Universities such that it creates new opportunities for students, study abroad programmes, internships and joint degree programmes. These opportunities can enhance their education and improve their job prospects.

2. EFFORTS TO INCREASE PASSING PERCENTAGE

We shall plan our goal of increasing the passing percentage of the students by conducting additional lectures, personalize learning strategies, to work on the weakness of the students. We also plan to increase the remedial lectures or restructure the lectures according to the learning abilities of the students. We also plan to have extra lectures of professionals to deal with students have learning disabilities.

3. MOUs WITH COMPANIES – NATIONAL / INTERNATIONAL FOR PLACEMENT

We plan to have MOUs with more companies for placement of the students. We also look forward to get connected with MNCs or International Companies.
