GUEST LECTURE ON INDIAN KNOWLEDGE SYSTEM ORGANISED
BY IQAC IN ACADEMIC YEAR 2022-23

Venue:-Room No 103

Date:- 14/12 /2022

Time :- 12.00 PM to 1.00PM

No of Participated:-45

Beneficiary :- Students

Name of Speaker :- Zinal Thacker

Name of the Committee :- IQAC

A Guest Lecture on Indian Knowledge System (IKS) organised by IQAC and took by Mrs. Zinal Thacker on Dated 12/12/2022 in college campus Room NO 103 first floor at 12.00 pm .Total 45 students benifited with this session. The seminar on Indian knowledge systems organized for students aimed to explore and celebrate the rich heritage and wisdom embedded in various traditional Indian disciplines such as Ayurveda, Yoga, Vedanta, and Vedic Mathematics. Scholars and experts elucidated the relevance of these systems in modern times, emphasizing their holistic approach to health, spirituality, and problem-solving. Students gained insights into the interconnectedness of mind, body, and spirit, and how ancient Indian wisdom can complement contemporary knowledge for personal and societal well-being. The session fostered a deeper appreciation for India's cultural legacy and encouraged students to integrate traditional knowledge systems into their academic and professional pursuits.

INDUSTRIAL VISITS

Major objective of industrial visit is to provide students an insight regarding internal working of Industries. With an aim to go beyond academics, industrial visits provide students a practical perspective on the world of work. Industrial visit gives an idea to students about their job profile once they start working in some organization. Every year various industrial visits are conducted to leading industries , so that students can get exposure of industry environment and its work culture contributing to their experiential learning.

In 2018-19 Academic Year, we Visited Silvassa -Daman and Diu

We visited Navneet Industries –Paper Manufacturing Unit.To know the industries manufacturing process, packing, marketing, how to maintain relations with customers.

The visit typically included interactions with industry professionals, guided tours of manufacturing facilities, demonstrations of machinery and equipment, and presentations on business strategies and market trends. Participants gained insights into the latest technologies, quality control measures, and sustainability initiatives adopted by the industries in Silvassa.

Overall, the industrial visit to Silvassa provided valuable learning experiences and exposure to real-world industrial practices, helping participants to gain practical knowledge and enhance their understanding of industrial operations and management.

In 2019-2020 Academic Year, Chandigarh-Manali Amritsar.

We visited Punjab Communication Ltd is a leading manufacturer and supplier of telecommunication and IT equipment solutions in India. Students were introduced for new Java Script, HTML coding and Python..For Sight Seeing we went to Golden temple and Wagha Boarder.

In 2022-2023 ,We visited Prema's Fashion Genesis-Ghansoli, Navi Mumbai for one day Industrial Visit were students learned about textile industries which includes cutting, stitching packing of garments.

In 2023, we visited to Silvassa -Daman and Diu.

During the industrial visit to Silvassa, students had the opportunity to explore various factories and industrial units to understand their operations, production processes, and management practices.

We visited Navneet Industries were Students learned how to interact with Industry Experts which is help them in developing leadership qualities and management skills.
